The 2025 Suzuki Swift Hatchback GLX 1.2L CVT combines modern design with efficient performance, making it an appealing choice for urban drivers. With its sleek exterior and compact size, the Swift is perfect for navigating city streets. Under the hood, the 1.2L petrol engine paired with a Continuously Variable Transmission (CVT) ensures a smooth and responsive driving experience. Inside, the Swift offers a spacious and comfortable cabin equipped with advanced technology and safety features. Overall, this hatchback is designed to deliver both style and practicality for everyday use.

The 2025 Suzuki Swift Hatchback GLX 1.2L CVT is powered by a 1197 cc petrol engine with a multipoint fuel injection system, delivering 80 hp at 5700 RPM and 105 Nm of torque at 4500 RPM from its three-cylinder design. This five-door hatchback comfortably seats five and has a gross weight of 1375 kg with a fuel tank capacity of 37 liters. It features front ventilated disc brakes and rear drum brakes, complemented by a MacPherson strut front suspension and a torsion beam rear suspension. Inside, the vehicle is equipped with a Bluetooth microphone, a 12V accessory plug, central door locking, and a tilt-adjustable steering wheel, along with electric windows and body-colored handles and mirrors. Safety features include multiple airbags, ABS with EBD, manual headlamp leveling, a rearview camera, remote door locks, parking sensors, and a security alarm.

The 2025 Suzuki Swift Hatchback GLX 1.2L CVT comes equipped with a range of advanced features designed for comfort and convenience. It features a 5-speed CVT gearbox and automatic air conditioning for a pleasant driving experience. The interior boasts a 9-inch display audio system with four speakers and two tweeters, providing excellent sound quality. For added convenience, the Swift includes cruise control, a keyless push start system, and steering control switches for audio, cruise, and hands-free phone calls. The leather-wrapped steering wheel adds a touch of luxury, while the electrically adjustable and folding side mirrors enhance functionality.
