The 2025 Toyota Camry E Hybrid 2.5L Petrol 5-Seater Automatic Transmission is a perfect combination of efficiency, performance, and luxury, designed to offer an exceptional driving experience. Equipped with a 2.5L, 4-cylinder engine, it delivers a maximum output of 201 HP at 6600 RPM and 240 NM of torque between 4000-5000 RPM, ensuring a powerful yet fuel-efficient ride with an impressive fuel efficiency of 17.2 km/l. The 8-speed automatic transmission ensures smooth gear shifts, while the 60L fuel tank capacity offers extended travel range. Its 205/65R16 tires and dimensions of 4920mm (L) x 1840mm (W) x 1445mm (H) contribute to a stable and comfortable drive.

On the exterior, the 16-inch alloy wheels provide a stylish and robust stance, complemented by LED headlamps, LED rear lamps (a combination of LED and halogen), LED daytime running lights (DRL), and LED front fog lamps, ensuring excellent visibility in all conditions. The body-coloured power side view mirrors come with integrated turn signal lights and auto-retractable functionality, while the chrome emblem (E) model badge adds a touch of sophistication.

Inside, the fabric seats with a power-adjustable driver seat ensure comfort for long journeys, and the steering wheel is equipped with audio, telephone, and voice recognition controls for added convenience. The telescopic steering with manual adjusting, automatic air conditioning with rear AC ducts, and a front passenger door lock switch enhance the ease of use. The 7-inch multi-information display provides vital driving stats, while the 60:40 rear split seats with an armrest and cupholders add versatility and comfort. The infotainment system includes an 8-inch touchscreen audio system with Bluetooth connectivity, Apple CarPlay compatibility, and multiple USB ports (3 front, 2 rear), all powered by six speakers, ensuring an immersive entertainment experience.
