The 2025 Toyota Camry LE Hybrid is a stylish and efficient sedan powered by a 2.5L Inline-4 hybrid engine, delivering a combined output of 226 horsepower through an electronically controlled continuously variable transmission (e-CVT). With an impressive fuel economy of approximately 51 MPG combined, it features a spacious interior that comfortably seats five, equipped with premium fabric upholstery, an 8-way power-adjustable driver's seat, and a 9-inch touchscreen infotainment system compatible with Apple CarPlay and Android Auto. Safety is prioritized with Toyota Safety Sense 2.5, which includes advanced features like lane departure alert and dynamic radar cruise control, along with a suite of airbags. The exterior boasts 17-inch alloy wheels, LED headlights, and a panoramic sunroof, making the Camry LE Hybrid a perfect blend of comfort, technology, and safety.

Elevated efficiency arrives with a remarkably stunning drive, thanks to the impressive power, available sport-tuned suspension and fuel efficiency of Camry Hybrid's powertrain. Combined with a responsive electric motor and smooth-shifting ECVT, it helps Camry Hybrid accelerate without hesitation. Available You may drive with confidence on less-than-ideal days thanks to All-Wheel Drive (AWD) capability. For increased traction in sand, rain, or snow, Camry AWD can send up to 50% of the torque to the rear wheels when the front wheels start to slide. A capable 2.5-liter Dynamic Force 4-cylinder which offers a satisfying balance of performance and efficiency.

The 2025 Toyota Camry LE Hybrid boasts an array of impressive exterior features, including 18-inch alloy wheels, LED headlamps, LED rear combination lamps, and front fog lamps. It also features power side-view mirrors with turn signal lights, chrome emblems, and a rear spoiler. Inside, the cabin offers fabric seats with a power-adjustable driver's seat, a leather-wrapped steering wheel with integrated controls, and a dual-zone automatic climate control system. The tech-savvy interior includes a 7-inch multi-information display, an 8-inch touchscreen audio system with wireless Apple CarPlay, and multiple USB ports. Safety and convenience are prioritized with features such as airbags, a smart entry system with push-button start, a rearview camera with parking sensors, cruise control, and a panoramic moonroof.
