A close-up photograph of a car's interior, focusing on a speaker. The speaker is covered with a black, fine-mesh grille. The grille is mounted on a dark, possibly black, plastic or metal frame. The word "AKG" is printed in a bold, white, sans-serif font on a small, light-colored rectangular plate at the bottom center of the grille. To the left of the speaker, a portion of a dark-colored car seat with a textured, leather-like surface is visible. The background is out of focus, showing a light-colored surface, likely a concrete or stone floor, and a white wall or trim piece. The lighting is bright, highlighting the textures of the materials.
