The central display shows a top-down view of the vehicle with tire pressure readings: front-left 39 psi, front-right 39 psi, rear-left 39 psi, and rear-right 38 psi. Below this, it displays 'Tyre pressure P' with a bar graph and '26 km'. On the left, a fuel gauge shows a level between C and H. On the right, a temperature gauge shows a level between E and F.

RUBICON

A close-up photograph of the front left side of a white Jeep Rubicon. The focus is on the hood and the front fender. A prominent badge with the word "RUBICON" in a bold, black, sans-serif font with a red outline is mounted on the fender. The hood features a large, black, rectangular air intake vent. The background is slightly blurred, showing other vehicles in a parking lot. A faint, semi-transparent watermark "ALUMINA" is visible across the center of the image.
